Georgia non-profit and public entities are invited to submit proposals for the Promoting Safe and Stable Families Program FFY2024. Georgia's PSSF program reflects the ongoing commitment of the Division of Family and Children Services to ensuring that families, communities, and organizations have access to the highest quality services and resources needed to help children and youth grow into healthy, thriving and contributing members of our society. PSSF provides funding for community-based services to children and families who may be at risk for child abuse and neglect or who have had confirmed reports of child abuse and neglect and are involved with the state's child welfare agency.

Mandatory Informational Meeting will be held **March 2, 2023, 9:30-12:30 EDT via Zoom.**

- Attendance at Informational Meeting is mandatory for agencies/organizations interested in submitting a proposal for the FFY2024 funding cycle.
